

Instructions for In-person Worship Beginning June 6, 2021

The service will continue to be streamed live on Facebook.

While some of our people are now fully vaccinated, we recognize that many are not or are unable to be vaccinated. As such, we are keeping protections in place for the time being so that they may feel comfortable attending worship in person. As we all keep these practices together, we are exhibiting the love of neighbor that Christ commands of us.

Instructions:

- We will continue to check in at the main entrance unless you are unable to enter there due to the steps. The doors adjacent the accessible parking spaces will be open.
- Facemasks will continue to be required but you may wear your own mask. 3-ply disposable facemasks will be available.
- We will continue to safely distance inside.
- We will not be passing the offering plates but you may drop your offering to God in the silver pail on the vestibule table.
- We will return to paper worship bulletins and use of the hymnals.
- You may gather outside but please keep a safe distance if masks are not worn.
- At this time, the Church Council has set Sunday, September 12, 2021 as the date that Adnah will fully reopen without restrictions.
